Excellence in the Deli-World

MEDICEI Ready Meals is the historic brand from which the identity of **I MEDICEI Group** was born. A brand deeply rooted in the Tuscan culinary tradition that, for over thirty years, has transformed a passion for Italian cuisine into fresh, convenient and high-quality ready meal solutions.

Every recipe is created from the perfect balance between authenticity and innovation. Traditional Italian flavours, carefully selected ingredients and meticulous production processes come together to create a range of more than 300 products, developed for both the Take Away and Assisted Deli Counter markets.

Pasta dishes, regional specialties, seafood and meat recipes, complete meals and contemporary creations: every product is designed to deliver authentic flavour, consistent quality and maximum convenience without compromise.

Because for **I MEDICEI**, ready meals are more than just products. They represent the culture of authentic Italian cuisine, enjoyed every day.

Why choose I Medicei Ready Meals

Choosing **I MEDICEI Ready Meals** means relying on a partner that combines Italian culinary heritage, manufacturing consistency and operational efficiency. Every product is designed to deliver an authentic Italian dining experience while meeting the practical needs of today's retail market.

Take Away

Key Benefits

- Wide selection of over 300 products
- Recipes inspired by authentic Italian tradition
- Consistently high quality
- Practical and functional packaging
- Optimised shelf life
- Classic, regional and contemporary recipes
- Solutions designed for today's fast-paced lifestyles

Food Service

Key Benefits

- Reduced preparation time
- Less waste and improved operational efficiency
- Consistent product quality
- Wide variety of recipes always available
- Reliable support during peak service periods
- Flexible integration into deli department offerings
- Practical solutions without compromising authentic Italian flavour

I MEDICEI Ready Meals are produced in IFS Food certified facilities, an internationally recognised certification that ensures the highest standards of food safety and quality throughout the entire production chain.
